

volta

When building or renovating residential buildings, compact solutions are often required for electrical and multimedia installations.

The volta small distribution board is especially suitable thanks to its easy assembly in walls as well as its manifold versions with 30% larger wiring space by lateral wiring trunking and larger upper and lower connection areas.

1 row, 12 modules

Description	Pack qty.	Art No.
Encl., Volta, flush, 1x12MOD, IP30	1	VU12NE
Encl., Volta, flush, 1x12MOD, IP30	1	VU12NT
