

RLC304

Wireless alarm control panel, 4 gr.

Product Datasheet

Functions

Built-in siren Yes, 102 dBA at 1 m

Built-in transmitter No, Telephone dialler module optional possible

Connectivity

Connection mode radio TwinBand

Power supply

Supply Voltage 3 alkali batteries 1.5V LR03

Materials

Colour white

Dimensions

Dimensions (LLxwxhh) 232 x 232 x 67,7 mm

Equipment

Built-in control and programming keypad Yes

Standards

European directive WEEE concerned

Safety

Protection index IP IP30
