

HMX132

## MCB 1P 50kA C-32A 1.5M

Product Datasheet

| Architecture   |                  |
|--|------------------|
| Number of protected poles  | 1                |
| Number of poles  | 1 F              |
| Type of pole   | 1 F              |
| Curve  | C                |
| Functions  |                  |
| Concurrently switching N-neutral                                     | no               |
| Connectivity   |                  |
| Top connection alignement for modular devices                        | Aligned terminal |
| Bottom connection alignement for modular devices                     | Aligned terminal |
| Main electrical features   |                  |
| Rated short circuit breaking capacity Icn AC<br>according IEC60898-1 | 50 kA            |
| Rated operational voltage Ue   | 240 / 415 V      |
| Type of supply voltage   | AC               |
| Frequency  | 50/60 Hz         |
| Voltage  |                  |
| Rated insulation voltage   | 500 V            |
| Rated impulse withstand voltage                                      | 6000 V           |

## Electric current

| Rated current   | 32 A          |
|---|---------------|
| min/maxi threshold value of the AC thermal<br>operation                         | 1,05 / 1,3 ln |
| Magnetic regulating currrent  | 5 / 10 In     |
| Rating current -10°C according to IEC 60947                                     | 44,38 A       |
| Rating current -15°C according to IEC 60947                                     | 45,44 A       |
| Rating current -20°C according to IEC 60947                                     | 46,46 A       |
| Rating current -25°C according to IEC 60947                                     | 47,47 A       |
| Rating current -5°C according to IEC 60947                                      | 43,3 A        |
| Rating current 0°C according to IEC 60947                                       | 42,2 A        |
| Rating current 10°C according to IEC 60947                                      | 39,89 A       |
| Rating current 150°C according to IEC 60947                                     | 38,69 A       |
| Rating current 20°C according to IEC 60947                                      | 37,45 A       |
| Rating current 25°C according to IEC 60947                                      | 36,16 A       |
| Rating current 30°C according to IEC 60947                                      | 34,83 A       |
| Rating current 35°C according to IEC 60947                                      | 33,45 A       |
| Rating current 40°C according to IEC 60947                                      | 32 A          |
| Rating current 45°C according to IEC 60947                                      | 30,49 A       |
| Rating current 5°C according to IEC 60947                                       | 41,06 A       |
| Rating current 50°C according to IEC 60947                                      | 28,89 A       |
| Rating current 55°C according to IEC 60947                                      | 27,21 A       |
| Rating current 60°C according to IEC 60947                                      | 25,41 A       |
| Rating current 65°C according to IEC 60947                                      | 23,48 A       |
| Rating current 70°C according to IEC 60947                                      | 21,37 A       |
| Rated ultimate short-circuit breaking capacity Icu<br>AC IEC 60947-2            | 50 kA         |
| Breaking capacity on 1 pole for IT 400V NF 60947-2                              | 4,5 kA        |
| Breaking capacity on 1 pole for IT 415V NF 60947-2                              | 4,5 kA        |
| Rated service breaking capacity Ics AC according<br>IEC 60947-2                 | 50 %          |
| Rated ultimate short-circuit breaking capacity Icu<br>under 230V AC IEC 60947-2 | 50 kA         |
| Rated ultimate short-circuit breaking capacity Icu<br>under 240V AC IEC 60947-2 | 50 kA         |
| Rated ultimate short-circuit breaking capacity Icu<br>under 400V AC IEC 60947-2 | 50 kA         |
| Rated ultimate short-circuit breaking capacity Icu<br>under 415V AC IEC 60947-2 | 50 kA         |
| Current correction factors  |               |
| Correction factor of rating current for 2 devices<br>placed side-by-side        | 1             |
| Correction factor of rating current for 3 devices<br>placed side-by-side        | 0,95          |
| Correction factor of rating current for 4 and 5 devices placed side-by-side     | 0,9           |
| Correction factor of rating current for 6 devices<br>placed side-by-side        | 0,85          |

## Frequency

| Frequency | 50 to 60 Hz |
|-----------|-------------|
| Frequency | 50 to 60 Hz |

| Total navyar laga under IN   | 0.00 \                                       |
|--|--|
| Total power loss under IN  | 2,88 W                                       |
| Power loss per pole at In  | 2,88 V                                       |
| Endurance  |  |
| Electric endurance in number of cycles   | 400  |
| Number of mechanical operations  | 2000   |
| Dimensions   |  |
| Depth of installed product   | 70 mn  |
| Height of installed product  | 90 mn  |
| Width of installed product   | 27 mn  |
| Installation, mounting   |  |
| Type of top connection for modular devices   | with screv                                   |
| Tightening torque  | 3,5 to 5Nr                                   |
| Type of top rail clip for modular devices  | Plasti                                       |
| Type of bottom rail clip for modular devices   | plasti                                       |
| Type of Bottom Connection for modular devices  | with screw                                   |
| Top removability for modular devices   | уе   |
| Bottom removability for modular devices  | уе   |
| 360° product mounting position   | ye   |
| Connection cross-section at output with screw, for<br>flexible conductor<br>Connection cross-section at output with screw, for | 1 / 50 mm<br>1 / 70 mm                       |
| massive conductor  | 1, 1011                                      |
| Connection cross-sect. flexible conductor  | 50mm   |
| Connection cross-sect. rigid cable   | 70mm   |
| Connection cross-section for rigid conductor,<br>upstream terminals with screws  | 1 / 70 mm                                    |
| Connection cross-section of the access with<br>screws, with flexible conductor   | 1 / 50 mm                                    |
| Connection cross-section of input and output with<br>screws, for massive conductors  | 1 / 70 mm                                    |
| Connection cross section of access and exit with<br>screws, for flexible conductor   | 1 / 50 mm                                    |
| Type of connection   | terminal with tightening compensation system |
| Nominal tightening torque bottom terminal  | 3,6 Nr                                       |
| Nominal tightening torque top terminal   | 3,6 Nn                                       |
| Standards  |  |
| Standard text  | IEC 60947-                                   |
| European directive WEEE  | concerne                                     |
| Product categories described in the W3E directive 2012/19/EU   | Category                                     |
| Safety   |  |
| Protection index IP  | IP2  |
|  |  |

Technical subject to change

40 °C

# Use conditions

| Degree of pollution according to IEC 60664 / IEC 60947-2 | 3                |
|--|------------------|
| Class of energy limitation I <sup>2</sup> t              | 3                |
| Altitude   | 2000 m           |
| Air humidity protection                                  | for all climates |
