

Cable management design solutions

1 Charging station
Electric energy brings you everywhere. Charge your car while you are working thanks to dedicated charging stations by Hager.

2 SL plinth with LED
Ambient lighting gives the design its finishing touch.

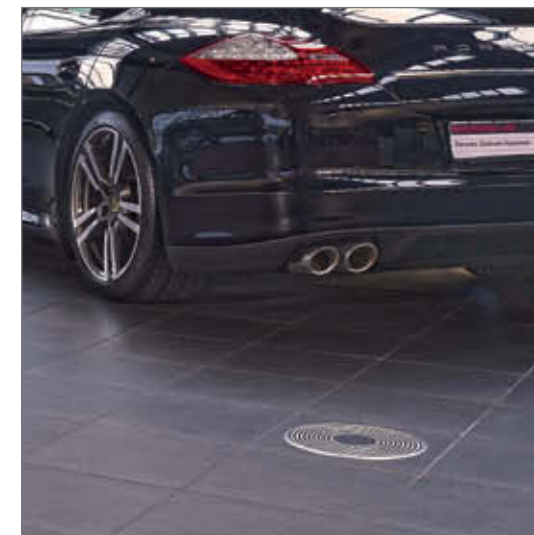

3 DAB Cable tray
Fixed on the ceiling to convey power and light wherever you wish.

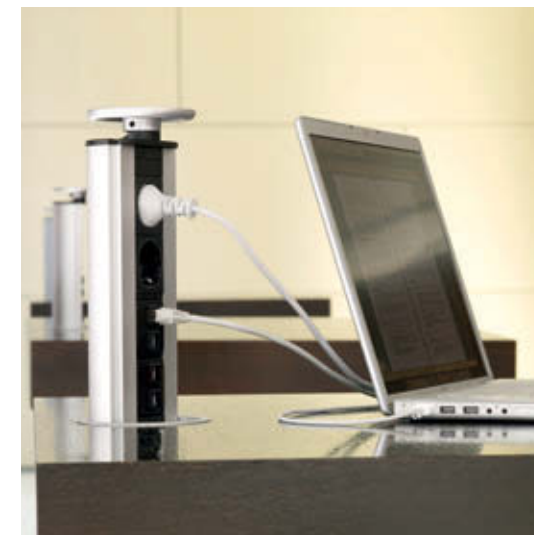

4 BR trunking
Adaptable trunking to fit on vertical surfaces.

5 DA mobile poles
Independent poles that can be equipped with sockets and switches.

6 Underfloor boxes
Invisible boxes equipped with sockets.

7 Pull out multi outlet modules
Integrated, it is only visible when you need it.

8 RS design poles
An energy source always close to you.

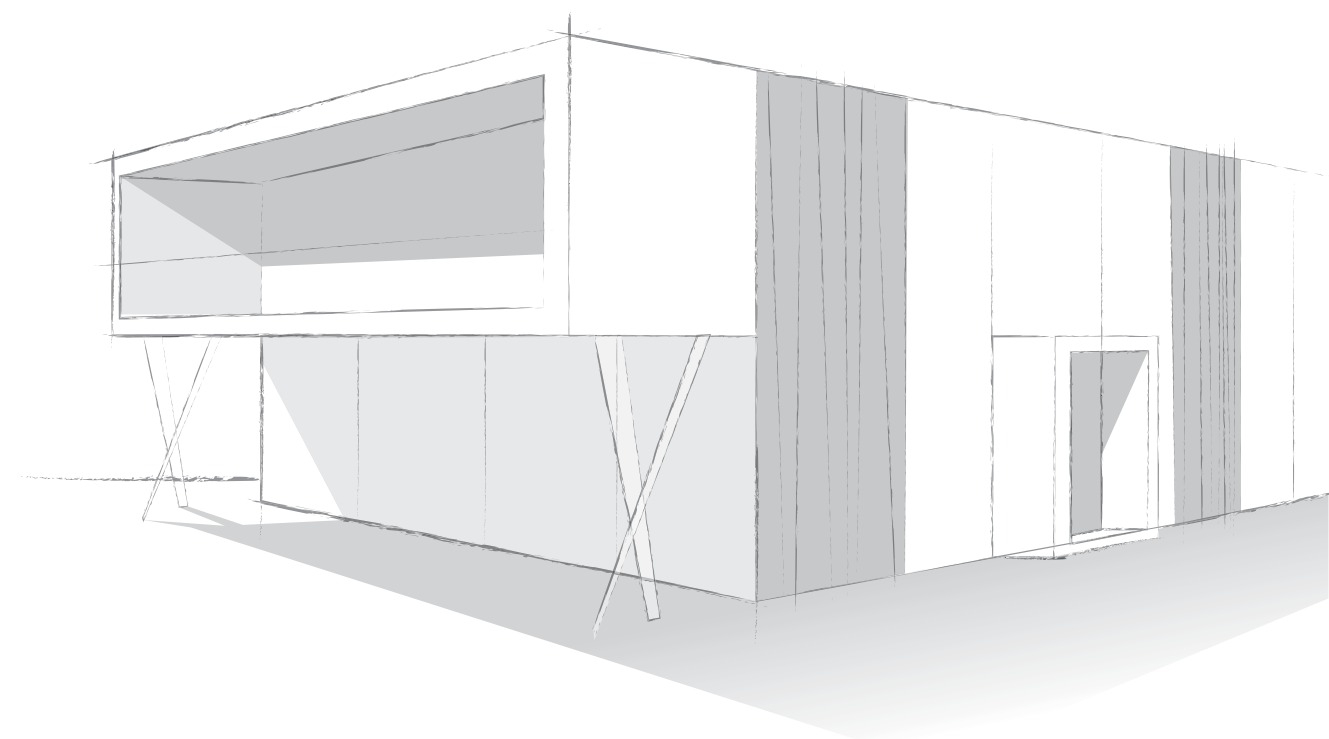

9 Design trunking
Easy connection of wall-mounted elements to power supply from the floor.
