Product Data Sheet ATA125039010

External corner, ATEHA, 12x50, pure white

ATA125039010

| Architecture | |
|---|-----------------------|
| Fixing mode | Clippe |
| Functions | |
| Overlapping | ye |
| Suitable for functional integrity according to DIN 4102-12 | n |
| Configuration | |
| Antibacterial treatment | n |
| Symetrical | уе |
| Connectivity | |
| Trunking coupling | without couple |
| Cover, door | |
| Lid with softlip | N |
| Materials | |
| Colour | pure whit |
| RAL colour | RAL 9010 - Pure whit |
| Material | AB |
| Material group | plastic |
| Type of surface treatment | untreater |
| Dimensions | |
| Trunking height | 13 mn |
| Length | 26,5 mr |
| Trunking width | 52 mn |
| Installation, mounting | |
| Base punching | Without base punching |
| Settings | |
| Angle range | 83 / 140 |
| Accessories included | |
| Accessory configuration | Moulde |
| Equipment | |
| With protective film | n |
| Standards | |
| Approvals | EN50085-2- |
| European directive RoHs | voluntary compliance |

Safety

| Salety | |
|-----------------------|---------|
| Protection index IP | IP40 |
| Halogen free | yes |
| Impact strength | IK07 |
| Use conditions | |
| Operating temperature | -560 °C |
| temperatur | |
| Ambient temperature | -560 °C |
